Explore Your Potential: Traineeship Opportunity

Traineeship in Work Health & Safety and Environmental

Are you looking for a new career and want to earn while you learn? Are you ready to kick start your career journey and gain hands-on experience? Look no further! Yarrabah Aboriginal Shire Council is excited to announce a traineeship opportunity for enthusiastic individuals eager to learn and grow a career in local government. Traineeship will be for a fixed term, while completing your Certificate IV in Work Health and Safety (WHS).

The Council identifies the need to stimulate employment opportunities for school leavers in the Community. Ideally, the successful applicants may come from those who have just completed their Year 12 studies. This does not restrict mature-aged people for applying for these roles.

The objective of a traineeship is to provide training & experience in the identified work environment. All applicants must have a personal desire to gain new skills and be willing to commit to and satisfactorily complete all traineeship assessment requirements.

Criteria:

- Sound numeracy and literacy skills
- Sound communication skills
- Demonstrate maturity, confidence and willingness to work in a team environment
- Demonstrate ability (willingness) to take direction
- Commitment to regular and punctual attendance

To discuss eligibility, please contact HR Officer - Ting Charles through email: HR@yarrabah.qld.gov.au

Expressions of interest must be addressed to:

Director – People & Communities, Yarrabah Aboriginal Shire Council

56 Sawmill Road, Yarrabah QLD 4871

Or email: HR@yarrabah.qld.gov.au

Applications close 4:30pm on 11th December 2023.
