Everyone representing YASC must reflect the highest standards of behaviour. Our relationships are critical to the ongoing success of our organisation. Our leaders have responsibility for fostering a culture where ethical conduct is recognised, valued and applied at all levels.

This policy is to be read in conjunction with the Code of Conduct, which outlines our standards of behaviour and workplace culture are in accordance with YASC's principles.

## **3. PURPOSE**

We are committed to our goal of "Everyone Home Safe and Well Today" and every day. To achieve this goal, we choose to work inside the SafetyCircle® and will support employees, contractors, volunteers and visitors to make choices consistent with managing risk well in their moments of choice.

## **4. COMMENCEMENT OF POLICY**

This Policy replaces all other workplace health and safety policies of YASC (whether written or not).

## **5. APPLICATION OF THE POLICY**

This Policy applies to employees, agents and contractors (including temporary contractors) of YASC.

This Policy does not form part of any employee's contract of employment. Nor does it form part of any other workplace participant's contract for service.

## **6. PROCEDURES**

We will sustain a positive and proactive culture focussed on continuously improving health, safety and wellbeing performance. Our actions will be consistent with this by establishing and maintaining high levels of staff engagement, strong leadership and regular reinforcement.

The organisation will as far as reasonably practicable manage our key Equipment, Systems and People risks, providing a platform for setting all workers up for success and expecting accountability and responsibility from all.

As employees of Yarrabah Aboriginal Shire Council, we choose to operate inside the SafetyCircle®

We are responsible for our health and safety and will:

- Follow standard procedures and rules.
- Control and/or report unsafe conditions.
- Interrupt unsafe behaviours- our own and others.
- Acknowledge and encourage safe and healthy behaviours.
- Look for improvement opportunities.
- Maintain a high standard of work organisation.

YASC supports the choice of all workers to operate inside the SafetyCircle. Actively choosing not to operate within the SafetyCircle® is not consistent with continued employment within YASC.
